

**ASSORTED EQUIPMENT ART**  
**THOMAS NOVOSEL**

All images done between October 29th to November 1st, 2016  
using a Pilot V5 Extra Fine Ballpoint Pen.

There are no descriptions for the items beyond what is provided on the last page of this booklet. They are numbered for this purpose, but also so that if you want to use one as a magic item in your next game session, it is easier for you to reference in your notes as well.
